## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-4, 6-25 and 27-44 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Claims 1 and 22 recite among other things, two tracking devices, the first one being lower power than the other. The accuracy of the first tracking device is determined by a microcontroller, if it is not sufficient the second tracking device is activated.

The examiner was unable to find a reference or a combination of references that teach the limitations of the above claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
